

## ACCURACY, PRECISION AND RELIABILITY AT AN ATTRACTIVE PRICE.

*MEDICAL ILLUMINATION has incorporated the medical profession's most requested features in this halogen-bulb exam and diagnostic light of unparalleled quality.*

*The M.E.D. LIGHT includes a uniquely engineered dichroic glass reflector that provides truer, whiter light for accurate tissue and tone color, while sustaining balance and coolness. Its homogenous soft-flooded field greatly reduces eyestrain.*

*Reliable and flexible, the M.E.D. LIGHT can be moved to any position and remain exactly where placed. It is remarkably light and easy to handle, yet its rugged metal construction ensures long life.*

*All models have MEDICAL ILLUMINATION's standard three-year warranty and operate on 110/120 V, 50/60 Hz. Also available in 220/240 V.*

### ALL CONFIGURATIONS INCLUDE:

- 2000 foot candles (21500 lux) at 24" (610mm)
- Long life Halogen bulb
- 7' (213cm) cord with low voltage transformer
- 24" (610mm) gooseneck

### FLOOR MODEL:

- Heavy cast iron base with or without casters
- Upright stand allows adjustments of light head from 22" (56cm) to 62" (158cm)

### WALL MOUNT MODEL:

- Wall bracket mounts with four screws
- Extension arm extends 15" (381mm) from wall

### TABLE/SHELF MODEL:

- Mounting clamp opens to accommodate thicknesses up to 2<sup>5</sup>/<sub>8</sub>" (67mm)
- Extension arm extends 15" (381mm) from surface mount
